

our values

- Developing physical, emotional, mental, social and spiritual wellbeing creates competent capable contributors in society.

- Life and learning thrives in community.
- We believe that it takes a village to raise a Child. Through partnership with whanau we strive to support not only tamariki but whanau groups to ensure their children get the best start to their learning journey and early years' development.
- We pride ourselves in a strong, positive staff culture where each person, is valued and cared for. This same aroha is given to your child.

- Our Christian faith is the foundation of who we are, in all we do.
- We believe a relationship with Jesus Christ is the foundation to building a confident positive self-view and identity – who am I? why am I? what is my purpose?
- Our curriculum involves Bible teaching, Christian values, songs and prayers.
